

CINQUE TERRE TOUR

The Cinque Terre, recognized by UNESCO as a World Heritage Site, are a collection of five charming villages: Monterosso, Vernazza, Corniglia, Manarola, and Riomaggiore, located in a picturesque corner of Liguria.

The beauty of this land is not only linked to its lush nature and stunning beaches but also to the wonders these five picturesque villages offer: sanctuaries, ancient fortresses, ruins of old fortifications, and churches in the Ligurian Gothic style.

You will have the opportunity to visit three of these wonderful locations, starting from La Spezia, from where a scenic train journey offers unique, unparalleled views of the famous "Gulf of Poets."

The journey will first take you to Manarola, then to Riomaggiore, followed by Vernazza, and finally Monterosso.

At each stop, you'll have the chance to explore these enchanting villages, admiring their precious architectural elements: loggias, churches, tower-houses, and arcades, all framed by breathtaking panoramas. It's an unforgettable experience that will immerse you in the heart, history, culture, and beauty of one of the most fascinating places in the world.
