

A person wearing a red shirt, black shorts, a helmet, and a backpack is standing next to a bicycle on a grassy hillside. The background shows a vast, rolling landscape of green hills and valleys under a blue sky with scattered clouds. The person is looking out over the landscape.

CHIANTISHIRE E BIKE TOUR IN CHIANTI

Tuscany is a favourite destination for cyclists who are drawn to its scenic country roads, the views, the fresh scent of the trees and the vibrant colours of the hills. For this Tuscan experience, there is a wide variety of routes and itineraries to choose from. These range from less physically demanding paths, ideal for those who enjoy both nature and exploring villages, to challenging routes for avid cycling enthusiasts who relish steep climbs.

Cycle through the picturesque Tuscan hills, taking breaks along the way. After the ride, a well-deserved lunch awaits. In addition to delicious Tuscan cuisine, you can sample three local wines. Your only task will be to relax in one of the most beautiful areas in the world.

THE PRICE INCLUDES: Private Tour with an Expert Guide, E-bikes and Helmets (option for a standard bike available), Various Route Levels, 2-3 Hours of Cycling, a Winery visit and Wine Tasting, Typical Tuscan Lunch in the winery (possibility to arrange a pic nic)

INFO:

- Meeting Point: Via 4 Novembre n. 35, 53011 Castellina in Chianti (SI)
- On request, pick-up and drop-off at your accommodation to be quoted separately

NOTES: E-bikes are available for those with a minimum height of 135cm (4'4"). For children under 25kg (55lb), a bike child seat is provided. The itineraries cover about 35km (22 miles) in a hilly terrain, suitable for anyone able to ride a bike and in good health. The safety of the clients is the priority, the routes chosen are mainly secondary roads with little traffic, although part of the route may be on main roads. There are no cycle paths in the area. Sports attire and trainers are required

RAIN POLICY: In the event of light rain, raincoats will be provided. In the event of heavy rain, an alternative activity of equal value will be arranged
