

CHEESE AND WINE TOUR VAL D'ORCIA

Discover the magic of the Val d'Orcia, a UNESCO World Heritage site, where breathtaking landscapes, art, and culinary traditions come together in perfect harmony. Through rolling hills, sunflowers, and cypress-lined roads, the focus will be on local excellences: Pecorino cheese and red wines, two delicacies that tell the story and culture of the region.

An expert local guide will accompany you on a journey to discover the true essence of Tuscany. The first stop will be at a traditional dairy farm, where you can witness the production of Pecorino and taste a selection of fresh cheeses, aged cheeses, and ricotta, all accompanied by a panoramic view that will leave you speechless.

We will then continue to Montalcino, the home of the famous Brunello wine. This charming medieval town, renowned for its high-quality wine, will also offer you the chance to explore its historic center, with its monuments and artisanal shops.

The tour will end in a local winery, where you can discover the process of Brunello winemaking with a guided tour of the cellar and aging rooms. To conclude, you will have the opportunity to enjoy a typical Tuscan lunch paired with the delicious Brunello di Montalcino.
