

CLASSIC VAL D'ORCIA TOUR

The Val d'Orcia, a UNESCO World Heritage site, is where picturesque landscapes, art, and gastronomic traditions blend perfectly. Among soft hills, sunflowers, and cypress-lined roads, the focus is on local excellence: Pecorino cheese and red wines, two delicacies that tell the centuries-old story of this beautiful region. The journey begins in Montalcino, a medieval village surrounded by olive groves and vineyards, famous for the Brunello, a high-quality wine among the most loved. To start, you'll enjoy a tour of a local winery where you will be guided through the production process of this exceptional wine. At the end of the visit, you'll have the chance to enjoy a typical Tuscan lunch, expertly paired with the robust Brunello di Montalcino. The tour continues towards Pienza, a Renaissance gem in the heart of the Val d'Orcia, designed at the request of Pope Pius II. The town is an extraordinary example of Renaissance urban planning, offering breathtaking views of the surrounding landscape. It's famous for its gastronomic treasures, foremost among them the famous Pecorino cheese from Pienza, known for its savory and well-balanced flavor. The day concludes with a Pecorino tasting in a traditional shop, where different types of cheese, a gastronomic symbol of the area, can be savored.
